St Joseph’s Swimming Carnival 2015

St Joseph’s annual swimming carnival was held on a warm Friday the 11th of December at Evans Head Aquatic Pool.

A special thank you once again to all our fantastic parent helpers (timekeepers / ribbon distributors) who gave so generously of their time to make this year’s carnival so successful. It was great to see so many parents to came along to support their children this year at the swimming carnival.

Thank you to the pool management for their co-operation and help with organizing this year’s event.

Congratulations to all the students who participated and cheered for their team during the carnival. There was very good team spirit once again this year and great sportsmanship shown throughout this year’s carnival.

A special Thank you to the Colour House captains who organized their teams before and during the carnival.

Records

There were some exciting close finishes to events at this year’s carnival and some outstanding times were recorded with just one new record created in the pool. Congratulations to Tahlia Robson who broke the junior girls 50 metre breast stroke record with a new time of 54.64 (old record held by Shaye Lancaster 57.78 in 1997). Once again this year many more students nominated and entered in either 25 metre or 50 metre events which is most encouraging for the future.
