Little Joeys, Big Dreams Booklet

This week, your children brought home a special booklet as a companion to our "Little People, Big Dreams" whole school well-being sessions. It contains a collection of the incredible individuals we've learned about this term, including their stories and the valuable lessons they taught us about resilience, kindness, and courage.

Please be sure to check your child's bag for the booklet if you haven't seen it yet. We encourage you to look through it together and talk about the remarkable people who inspired us all! It also has drawings, work and photos of our little Joeys.
